The meeting was called to order by Roger with 7 members present. Minutes and Treasurer's Report were read and approved. Old business included the junction, the bridge, City Wide Garage Sales and Homecoming.

The junction is in good shape. Perry is caring for the junction the first half of June and Maryanne the 2<sup>nd</sup> half. If we want to add some more mulch, Roger has some on hand we can use. There is no news at this time on the bridge. Citywide Garage Sales went well. We had several sign up and the weather was good for it.

Homecoming is coming up in two weeks. Roger & Connie made a list of supplies for Friday evening ice-cream in the park. Everyone who is available will be needed to serve ice-cream etc. Bring an ice-cream scoop. Trunk Sale- We have 8 vendors so far. Theresa shared we have another vendor interested. Roger will be roping off areas at the park where no one can set up. Flyers will be hung this week. Registration for the trunk sales will be at City Hall. Susan shared a break down on advertising for the event. The fishing tournament has been moved to Saturday.

New business included bills \$30 from the Shopper and \$15 for the Gate City. These bills were both for advertising for the Citywide Garage Sales. Motion made and approved to pay the bills. In addition the Vendor Blender was discussed. It will be Dec. 7<sup>th</sup> in the Jr. High gym & cafeteria.
